

Dear Faculty, Staff, Alumni and Friends of the Music Department:

I am pleased to notify you that many fine pianos loaned to the UP Music Program are now available for purchase. The selection includes baby grands, music room grands, uprights, hybrids and performance quality digital pianos.

The Music Program has a special arrangement with Kawai America Corporation and Portland Piano Company that directly benefits our talented music students by providing quality new pianos in our practice and performance spaces. These instruments are now **being offered to the public at greatly reduced prices.**

**All University of Portland loaned pianos will be first offered to faculty, staff, alumni, students and friends at reduced prices by appointment Thursday through Saturday, June 24<sup>th</sup> – 26<sup>th</sup> before being sold to the general public on Sunday June 27<sup>th</sup>.** These pianos have been professionally maintained and most include the original ten-year manufacturer's warranty. Local arrangements have also been made for financing, professional delivery, and warranty coverage through Kawai America Corporation.

**THERE ARE TWO WAYS TO SELECT A FINE INSTRUMENT:**

- 1. First-Choice Appointment:** You are invited to take advantage of a limited number of Preview Appointments prior to the public sale by calling **(503) 775-2620**. During your preview appointment you can view, inspect, and immediately purchase your piano. This will guarantee best selection as pianos are sold first come first served.
- 2. A General Public Sale** will be held on Sunday June 27, from noon to 5:00 PM at Portland Piano Company, **8700 NE Columbia Blvd., Portland, OR. 97220**

The acquisition and maintenance of a quality piano fleet is one of the most crucial and expensive components of our accredited music program. Cooperative programs such as this piano loan program add significant value to the needs of our students. If you've ever wanted to own an exceptional piano, I encourage you to consider taking advantage of this opportunity, which directly benefits our students, our music program and an important local and supportive business partner.

Sincerely,

David De Lyser
